PROFIT GUIDANCE FOR THE FINANCIAL YEAR ENDED 31 MARCH 2025

The Board of Directors (the “**Board**”) of Tung Lok Restaurants (2000) Ltd. (the “**Company**”, together with its subsidiaries, the “**Group**”), wishes to announce that, based on the preliminary review of the unaudited consolidated financial results, the Group is expected to incur a net loss for the financial year ended 31 March 2025 (“**FY2025**”) compared to a net profit for the financial ended 31 March 2024 (“**FY2024**”). The net loss for FY2025 is primarily attributable to a decline in the Group’s revenue, arising from the challenging economic environment which has affected overall sales, especially during the 6 months ended 30 September 2024 (“**1HY2025**”).

Despite the challenging operating environment, the Group is expected to record a net profit for the 6 months ended 31 March 2025 (“**2HY2025**”), supported by stronger overall sales during the festive periods in 2HY2025 as compared to 1HY2025. However, the net profit in 2HY2025 would not be sufficient to fully offset the earlier net losses incurred in 1HY2025, resulting in an overall net loss for FY2025.

The Company is in the midst of finalising its unaudited financial results for FY2025. Further details of the Group’s financial performance will be disclosed when the unaudited financial results are released on or before 30 May 2025.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company. When in doubt as to the action they should take, shareholders and potential investors of the Company should seek advice from their stockbrokers, bankers, solicitors, accountants, tax advisers, or other professional advisers.
